A new Feature in BOSSWeb will be available on June 1st 2010 to allow you to get your B.U.D.S. Access Codes 24 hours a day and 365 days a year.

Starting with B.U.D.S. version 3.xx or newer ONLY.

Starting with ATV and SSV 2011 product lines ONLY.

The other product lines will gradually be added, as the new B.U.D.S. versions are generated.

Note that these codes are only for MPI-2.

BOSSWeb will not support the MPI-1.

In order to better serve you and reduce wait time please email as soon as possible, the serial numbers (10000XXXX) of all MPI-2 at your dealership. In the email please include the dealer name and number to BOSSWebmail@brp.com

Reinforcing that the B.U.D.S. software and hardware is proprietary to BRP and authorized BRP dealers only, no outside access is permitted.
