RE: 2008 and 2009 Youth ATVs Lead Compliance Recall

Dear Can-Am™ Dealer,

This notice is sent to you in accordance with the requirements of the Consumer Product Safety Act, the Canada Motor Vehicle Safety Act and other applicable laws.

What is the reason for this notice?

In cooperation with Transport Canada and the U.S. Consumer Product Safety Commission, Bombardier Recreational Products Inc. and BRP US Inc. ("BRP") are conducting a voluntary recall of certain 2008 and 2009 DS 70™, DS 90™ and DS 90™ X™ ATV models as specified in the attached Warranty Campaign Bulletin.

What is the issue of concern?

1. Surface yellow paint on the front and rear suspension springs can contain excess levels of lead. Contact with paints having higher levels of lead content could lead to health issues.

Note: The present recall is not related to administrative bulletin 2009-3 about the Consumer Product Safety Improvement Act of 2008, and it does not make vehicles that have been modified by the present recall compliant with CPSC latest regulations.

What will BRP do?

BRP has already sent a Recall Notice letter to all known registered owners of these vehicles, instructing them to contact their authorized BRP Can-Am ATV dealer to make an appointment to get their vehicle serviced. Also, BRP posted this notice and attached Warranty Campaign Bulletin on its BOSSWeb dealer website (www.bossweb.com) and on its public website (www.can-am.brp.com).

What should you do?

1. Do not deliver any involved vehicle until the repair has been completed.
2. Contact all of your customers who have purchased this product and inform them about the foregoing. Request that they make an appointment to have their vehicle serviced.
3. Follow all instructions provided in attached Warranty Campaign Bulletin.

If you have questions about this notice, please call:

In US: 1-800-366-6992 and in Canada: 1-800-361-9980.
