Subject: **Update for Early Released Boat Show Watercrafts.**

No. **2009-1**

YEAR	MODEL	MODEL NUMBER	SERIAL NUMBER
2009	GTX <sup>+</sup> Limited iS MC 255	189A / 189B	Refer to: Serial Number Listing of Involved Watercraft
2009	RXT <sup>®</sup> iS 255	349A / 349B	Refer to: Serial Number Listing of Involved Watercraft

## PROBLEM

A very limited quantity of the above described watercrafts were released early in the network in order to be available for boat shows. Dealers were able to activate and show the suspension features, but B.U.D.S. would not allow watercrafts to be started. By performing this Warranty Bulletin, watercrafts will become fully functional with updated electronic modules calibration and some updated parts.

**IMPORTANT: Make sure to proceed with complete update (parts and updated electronic modules calibration) prior to start or ride any affected watercraft, to avoid any mechanical failure.**

## SOLUTION

Update watercrafts using appropriate kit and instructions supplied with kit.

## PARTS REQUIRED

**Order only one (1) kit per affected watercraft;** there are limited quantities of kits. We are using a selective release process so only dealers that have affected watercrafts will receive these kits.

### ORDER KIT REFERRING TO THE VIN IN THE SERIAL NUMBER LISTING OF INVOLVED WATERCRAFT.
