Subject: **Carbon Monoxide (CO) Warning Label Installation (CALIFORNIA ONLY)**

No. **2011-1**

YEAR	MODEL	SERIAL NUMBER
2011	All	All

TO BE USED IN STATE OF CALIFORNIA ONLY

Pursuant to the State of California **AB2222**, which requires a Carbon Monoxide (CO) warning label be affixed to the craft, dealers must affix to a section of the personal watercraft **visible to the driver**, when seated onboard, such as the glove box cover, the attached warning label: Carbon Monoxide (CO) warning label.

BRP is providing a quantity of labels equal to the quantity of personal watercraft (model year 2011) your dealership have ordered.

If required, use the part number to order additional labels at no cost.
